MF GLOBAL HOLDING, **Case No. 11-15059 (SMB)**

PETITION TO TRANSFER CASE TO THE NEW YORK

SUPREME COURT

Comes now Michelle Y. Coe with her Petition to Transfer Case to the New York Supreme Court. Claimant has not received due process or equal protection under the law in this case. Her Motion to Correct Errors was denied regarding claim 1836, Sanctions and her pending Motion to Amend Claim 1836 Excluding MF Global Holding and MF Global USA.

The Administrative Claim form is ambiguous, and the claimant only intended to file claims on the other MF Global entities per court order. However, it appears that the court has error and MF Global Holding is liable to pay the claim.
