MF GLOBAL HOLDINGS LTD., ET AL.
Post-Effective Date Quarterly Operating Report
For the period ending June 30, 2016

BACKGROUND

This post-Effective Date quarterly operating report (“QOR”) of MF Global Holdings Ltd. (“Holdings Ltd.”) and its affiliated debtors, MF Global Finance USA Inc. (“Finance USA”), MF Global Capital LLC (“Capital”), MF Global FX Clear LLC (“FX Clear”), MF Global Market Services LLC (“Market Services”), and MF Global Holdings USA Inc. (“Holdings USA”) (collectively, the “Debtors”¹) covers a specific time period and has been prepared solely for the purpose of complying with the reporting requirements of the *Second Amended and Restated Joint Plan of Liquidation Pursuant to Chapter 11 of the Bankruptcy Code for MF Global Holdings Ltd., MF Global Finance USA Inc., MF Global Capital LLC, MF Global FX Clear LLC, MF Global Market Services LLC, and MF Global Holdings USA Inc.* (Docket No. 1382) (the “Second Amended Plan”). The financial information contained in this QOR is preliminary and unaudited, and as such may be subject to revision. The information in this QOR should not be viewed as indicative of future results. The Second Amended Plan is a joint plan for six separate Debtors. The Debtors are not consolidated for financial reporting and should be viewed as standalone entities. The total columns in each of the tables of the QOR are for illustrative purposes only.

The Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) as follows: (i) Holdings Ltd. and Finance USA filed on October 31, 2011; (ii) Capital, FX Clear, and Market Services filed on December 19, 2011; and (iii) Holdings USA filed on March 2, 2012. Each respective Debtor’s bankruptcy filing dates are referred to in this QOR as the “Petition Date” and any period prior to such Debtor’s bankruptcy filing date is referred to as “pre-petition” for the respective Debtor. The Debtors’ chapter 11 cases are assigned to the Honorable Judge Martin Glenn and are being jointly administered under the caption “In re MF Global Holdings Ltd., et al.” Case No. 11-15059 (MG). Shortly after each respective Petition Date, Louis J. Freeh, Esq. (the “Chapter 11 Trustee”) was appointed as chapter 11 trustee of the Debtors. On the Effective Date, the Chapter 11 Trustee ceased his stewardship of the Debtors and Holdings Ltd. became the Plan Administrator under the Second Amended Plan, with a newly appointed board of directors.

The last date and time for any person or entity, including MF Global affiliates, to file a proof of claim against the Debtors (the “Bar Date”) has passed as of the issuance of this QOR. During the reporting period, the Plan Administrator continued to review and reconcile certain pre-petition and administrative claims filed against the Debtors. The Plan Administrator has identified and will continue to identify claims that it believes should be disallowed for a number of reasons, including but not limited to: claims that are duplicative of other claims; claims that are amended by later filed claims; claims that are not properly filed against a Debtor in the Debtors’ chapter 11 cases; and claims that are either overstated, assert an incorrect priority, or that cannot otherwise properly be asserted against the Debtors. The Plan Administrator has objected and will continue to object to such claims as appropriate. Accordingly, adjustments to the financial information provided herein may be reflected in future QORs as a result of the claims reconciliation process, and such adjustments may be material.

On July 24, 2015, the Plan Administrator and James W. Giddens (the “SIPA Trustee”), as Trustee for the liquidation of MF Global Inc. (“MFGI”), entered into a Sale and Assumption Agreement pursuant to which the SIPA Trustee assigned to the Plan Administrator (or its designee), among other things, all of the SIPA Trustee’s rights and interest in (a) the claims asserted in the case captioned “In re MF Global Holdings Ltd. Investment Litigation,” 11 Civ. 7866 (the “MDL”), (b) MFGI’s E&O Policies, D&O Policies, and other insurance policy proceeds, (c) recoveries in the MF Global UK Limited (“MFGUK”) insolvency proceeding, (d) certain contracts, and (e) cash and miscellaneous accounts receivables (the “Sale and Assumption Agreement”). In exchange, the Plan Administrator agreed that (a) the Debtors and certain of their non-Debtor affiliates waived their right to further distributions from the MFGI estate, which allowed the SIPA Trustee to make final distributions to all other unsecured creditors in an amount that satisfied such claims at 95%, and (b) the Plan Administrator’s designee assumed, among other things, certain of the SIPA Trustee’s discovery obligations, the SIPA Trustee’s obligations under the assigned contracts, and certain tax obligations. Pursuant to the agreement, the Plan Administrator’s designee is entitled to receive amounts in the future pending the outcome of certain events relating to disputed claims and expense reserves.

On September 8, 2015, pursuant to the Sale and Assumption Agreement, the Plan Administrator designated MF Global Assigned Assets LLC (“MFGAA” or “Assigned Assets”) its assignee and Holdings Ltd., Finance USA, Holdings USA, Capital, FX Clear, MF Global FX LLC (“FX LLC”), and MF Global Special Investor LLC (“Special Investor”) (the “Members”) made an initial capital contribution to Assigned Assets in the form of an assignment of all of that Member’s rights and interests in its allowed MFGI claims in exchange for a ratable membership interest in Assigned Assets. Future proceeds will be distributed to the Members in proportion to their respective membership interests in Assigned Assets.

¹ Throughout this QOR, the term “Debtors” refers collectively to MF Global Holdings Ltd., MF Global Finance USA Inc., MF Global Capital LLC, MF Global FX Clear LLC, MF Global Market Services LLC, and MF Global Holdings USA Inc.

On February 11, 2016, the Bankruptcy Court entered a final decree for the closing of the Chapter 11 Cases of Capital, FX Clear and Market Services (the “Closing Debtors”) (Docket No. 2201). As a result, the Closing Debtors no longer have any reporting or administrative obligations under the Second Amended Plan including, without limitation, the obligation to file post-Effective Date quarterly reports. The Chapter 11 Cases of Holdings Ltd., Finance USA, and Holdings USA remain open.

NOTES AND DEFINITION OF TERMS

Note 1: Basis of Presentation

The Plan Administrator has prepared this QOR in accordance with the Second Amended Plan. While the Plan Administrator has exercised its best efforts to ensure that this QOR is accurate, based on information that was available at the time of preparation, inadvertent errors or omissions may exist. The Plan Administrator reserves the right to amend this QOR from time to time as may be necessary or appropriate. This QOR is not meant to be relied upon as a complete description of the Debtors, their businesses, condition (financial or otherwise), results of operations, prospects, assets or liabilities.

The unaudited balance sheets (“statements of net assets in liquidation”) and statements of cash flows (“schedules of cash flows”) in this QOR have been prepared in accordance with the requirements of the Second Amended Plan. The statements of net assets in liquidation and schedules of cash flows were not prepared in accordance with U.S. generally accepted accounting principles (“US GAAP”) and neither purport to represent nor reconcile with financial statements prepared in accordance with US GAAP. This QOR does not include explanatory footnotes and other disclosures required under US GAAP, and is not presented in a US GAAP-based reporting format. Certain classifications utilized in this QOR may differ from prior report classifications and accordingly amounts may not be comparable. The statements of net assets in liquidation and the schedules of cash flows have been presented in at least the level of detail required by the Second Amended Plan.

Certain items presented in this QOR remain under review by the Plan Administrator and may be accounted for differently in future QORs. Accordingly, the financial information herein is subject to change and any such change could be material. The statements of net assets in liquidation do not reflect or provide for all the consequences of the Debtors’ chapter 11 cases including (i) as to assets, a wide range of legal claims that are being pursued or are under consideration to pursue, their realizable values on a liquidation basis or their availability to satisfy liabilities, and (ii) as to pre-petition liabilities, the amounts that may ultimately be allowed for claims or contingencies, or the ultimate status or priority of claims filed. Accordingly, future QORs may reflect adjustments (including write-downs and write-offs) to the assets and adjustments to the liabilities, which may be material.

Prior to October 31, 2011, the majority of the Debtors’ operational accounting functions, including day-to-day maintenance of the Debtors’ books and records, were fulfilled by an accounting group located in Chicago, Illinois and employed by MFGI which commenced its separate liquidation proceeding under the Securities Investor Protection Act on October 31, 2011 and which proceeding is now completed.

Note 2: Use of Estimates

In preparing the statements of net assets in liquidation, the Plan Administrator has made various estimates that may affect reported amounts and disclosures. Estimates are based on available information and judgment. Actual results could differ from estimates and could have a material effect on the statements of net assets in liquidation. As more information becomes available to the Plan Administrator, including the outcome of various negotiations and litigation, amongst other matters, it is expected that estimates could be revised. Such revisions may be material.

Note 4: Receivables

The Plan Administrator has presented all receivables on a net basis, categorized by owing entity and whether the receivable was generated before or after the Debtors' respective Petition Date. The three types of owing parties are defined as follows: (i) "Non-affiliates" refer to third-parties, who were not a direct or indirect subsidiary of Holdings Ltd. on October 31, 2011; (ii) "Debtor affiliate" refers to one of the Debtors that is being jointly administered with Holdings Ltd.; and (iii) "Other affiliates" refer to non-Debtor entities that were a direct or indirect subsidiary of Holdings Ltd. on October 31, 2011.

Receivables are reported at the face amount of the receivable or at settlement agreement value, less amounts received through the end of the reporting period. Provisions and write-downs to receivables may be recorded in the future when greater clarity on the financial situation of each counterparty and collectability of each receivable becomes known.

Note 5: Other Assets

The Plan Administrator does not have current valuations of all assets as of the reporting date. Other Assets include professional fee retainers and security deposits, as well as receivables arising from the purchase of claims filed against MFGUK that had payment guarantees from Holdings Ltd. and the assignment of certain insurance litigation from MFGI. During the period, MFGS made the final \$0.7 million distribution on receivables remaining from Finance USA’s 2013 purchase of Taiwanese customer claims. In addition, pursuant to an Assignment Agreement between the SIPA Trustee and Finance USA dated May 23, 2014, the SIPA Trustee assigned his rights in certain insurance litigation related to the unauthorized trading activity of Evan Dooley to Finance USA in exchange for, among other things, \$102.0 million. In order to effect this \$102.0 million payment, the SIPA Trustee, as permitted by the Assignment Agreement, withheld \$102.0 million from the distributions made from MFGI on October 31, 2014 that otherwise would have been distributed to Finance USA. Amounts ultimately realized may vary materially from amounts currently recorded in the statements of net assets in liquidation. Additional information on potential ranges of recoveries by the Debtors is included in the Disclosure Statement for the Amended Joint Plan of Liquidation Pursuant to Chapter 11 of the Bankruptcy Code for the Debtors (as supplemented “Disclosure Statement”) (Docket Nos. 1111-1 & 1193). Accordingly, the Plan Administrator may amend or adjust the value of these assets in the future.

Note 6: MF Global Assigned Assets LLC

On September 8, 2015, pursuant to the Sale and Assumption Agreement, the Plan Administrator designated Assigned Assets its assignee under the agreement and the Members made an initial capital contribution in the form of an assignment of all of that Member’s rights and interests in its MFGI claims in exchange for a ratable membership interest. Subsequent to the capital contribution, solvent former Debtors Capital and FX Clear assigned all assets and MFGAA interests to their direct parent entity Holdings USA and in March 2016, Special Investor and FX LLC also assigned all assets and MFGAA interests to their direct parent entities Holdings Ltd. and Holdings USA, respectively. Below is a breakdown of the allowed general unsecured claim each Member held at MFGI as well as the corresponding membership percentage in Assigned Assets, both at the time of the initial contribution and at June 30, 2016.

Note 7: Foreign Currency

The functional currency of each of the Debtors is U.S. dollars. The Debtors hold receivables from former UK affiliates of approximately £21.4 million as of the reporting date, and those balances have been converted to U.S. dollars as of the reporting date for presentation purposes. The GBP/USD exchange rate used at June 30, 2016 was 1.33949 compared to the March 31, 2016 rate of 1.43927. As of June 30, 2016, the breakdown of these receivables in pounds sterling is as follows:

	MF Global Finance USA Inc.	MF Global Holdings Ltd.	MF Global Holdings USA Inc.	Total
Balance at March 31, 2016	£ -	£ 611,512	£ 1,703,384	£ 2,314,896

Total MF Global UK Limited claim remaining at June 30, 2016	£ -	£ 611,512	£ 1,703,384	£ 2,314,896

Total MF Global Finance Europe Limited claims remaining at June 30, 2016	£ -	£ 19,111,852	£ -	£ 19,111,852
Total receivables in GBP at June 30, 2016	£ -	£ 19,723,364	£ 1,703,384	£ 21,426,748

In addition to the direct foreign currency exposure detailed above, the Debtors also have indirect exposure resulting from the Debtors' claims against, and interests in, certain former MF Global affiliates, which in turn have asset recoveries with direct foreign currency exposure. The largest example is the Debtors' combined interests in MFGAA, which has remaining pound sterling exposure due to its claims against the MFGUK estate. The Debtors have also filed claims against other former affiliates in U.S. dollars that may be allowed in local currency, causing additional foreign currency exposure. While the Debtors' largest currency exposure (direct and indirect) is pound sterling, the Debtors' also have direct and/or indirect exposure to Singapore dollars, New Taiwan dollars, Australian dollars, Hong Kong dollars and Canadian dollars, amongst other currencies. The Debtors have not hedged any foreign currency exposure.

Note 8: Liabilities Subject to Compromise

Liabilities subject to compromise include claims filed by creditors asserting obligations incurred prior to the Debtors' respective Petition Dates, which have not yet been withdrawn, expunged, resolved, or paid and satisfied. Liabilities subject to compromise do not represent the amounts that may ultimately be paid in respect of such claims. Liabilities subject to compromise exclude claims and interests classified as either preferred interests or common interests. Additional information on potential ranges of recoveries to holders of allowed pre-petition claims is included in the Disclosure Statement.

"Claims Subject to Reconciliation" refers to claims filed for potential pre-petition obligations, for which reconciliation of the claims has not yet been completed. The amounts of the claims are reported at the face values of the claims, which do not necessarily represent the amounts that may ultimately be allowed, if any. Claims filed for unliquidated amounts are presented at zero value until reconciliations of the claims are completed.

“Allowed claims – Debtor affiliate” refers to claims allowed by the Second Amended Plan for pre-petition obligations between the Debtors, and are reported at the allowed values of the claims less any distributions that have been made. These balances include amounts allowed by the Intercompany Settlement as defined in the Second Amended Plan. Below is a roll forward of allowed claims – debtor affiliate as of June 30, 2016.

Note 9: Liabilities to be Settled in Full

Liabilities to be Settled in Full represent liabilities that are expected to be paid at 100% of the reported amount.

- “Administrative, secured and priority” refer to claims filed for obligations incurred after the Debtors’ respective Petition Dates and prior to the Effective Date, claims secured by a lien on property in which the Debtors have an interest, or claims entitled to priority in payment pursuant to the Bankruptcy Code, all as defined by the Second Amended Plan.
- “Debtor and other affiliate charges” refer to amounts owed between Debtors or other controlled affiliates for post-petition obligations arising from the operating expenses of the Debtors’ estates or the assignment of assets from non-Debtors.

Note 10: Professional Fees

Professional Fees are presented based on the date incurred and include amounts that have been incurred but are unpaid for professionals retained by the Plan Administrator on behalf of the Debtors through the reporting date. Amounts accrued for Professional Fees include invoices received and estimates.

Note 11: Estimated Plan Administration Expenses

Estimated Plan Administration Expenses represent (i) an estimate of future operating expenses and professional fees (including litigation costs) and (ii) accrued, but unpaid, operating expenses. The Plan Administrator evaluated the Plan Administration Expenses Reserve and determined to decrease its estimates of future operating expenses and professional fees by \$16.5 million, from \$52.9 million to \$36.4 million. The Plan Administrator may revise the estimate of future Plan Administration Expenses periodically, as necessary.

Note 12: Subsequent Events

On July 20, 2016, the Plan Administrator, on behalf of itself and its affiliates including MFGAA, and Nader Tavakoli, as Litigation Trustee for the Litigation Trust (collectively, the “MFG Plaintiffs”), filed a joint motion pursuant to Bankruptcy Rule 9019 together with supporting declarations and exhibits (the “9019 Motion”) seeking Bankruptcy Court approval of the Stipulation and Settlement Agreement dated as of July 6, 2016 (the “Global Settlement”) among the MFG Plaintiffs, the Customer Class Representatives, and Sapere CTA Fund LP as Plaintiffs and Jon Corzine, Bradley Abelow, Henri Steenkamp, David Dunne, Edith O’Brien and Vinay Mahajan as Defendants, resolving Plaintiffs’ claims in the Multidistrict Litigation (the “MDL”) pending against Defendants. [See In re MF Global Holdings, Ltd., et al. Chapter 11 Case No. 11-15059 (MG) D.I. 2271] The MFG Plaintiffs also filed

a related Stipulation to modify the Plan Injunction [Id. D.I. 2269] and motion to file certain confidential documents under seal [Id. D.I. 2270].

As set forth more fully in the 9019 Motion, the proposed Global Settlement requires confidential contributions from certain Defendants and contribution or assignment of all remaining D&O and E&O policy limits totaling approximately \$184 million, which is comprised of the remaining policy limits committed to the Global Settlement of \$159 million and assignment to the MFG Plaintiffs of Defendants' rights to pursue additional policy limits of \$25 million from certain E&O insurers who refused to fund the settlement. Gross recoveries to the estates will be reduced by hold-backs to settle or create reserves for all claims against the Defendants in the MDL litigation, including the CFTC action, Sapere action, and Customer Class interest claims, and certain fees and costs, including Customer Class counsel fees.

Subsequent motions will seek approval of the distribution and allocation of the proceeds available under the Global Settlement among the MFG Plaintiffs. Once all approvals are obtained, distributions will be made to creditors, expected at the earliest to be Q4 of 2016. The amount and timing of any recoveries and distributions is still subject to various court approvals and therefore no estimates of any recoveries or timetables can be made with certainty.

Separately, note that the Plan Administrator has recorded amounts in the financial statements as of the reporting date based on the information available at the time the review was performed. Any events subsequent to the time of the review are not reflected in the statements of net assets in liquidation or schedule of cash flows and will be reflected in future QORs.
