Honorable Martin Glenn  
U.S. Bankruptcy Court  
Southern District of New York  
One Bowling Green, Room 504  
New York, NY 10004-1408

**Re: MF Global Holdings USA, Inc.**  
**Case No. 11-15059**

Dear Judge Glenn:

In light of District Court's recent decision remanding the case, we are requesting that the Court schedule an initial pre-trial conference in order to set a schedule so formal discovery may commence. We have reached out to Debtor/Defendant's counsel to discuss this preliminarily, however, we believe a conference will expedite matters.

If the Court desires a conference call to discuss this or any other matters, Plaintiffs are available to participate in and/or arrange such a call.

Very truly yours,

Charles A. Ercole
