Re: *Thielmann v. MF Global Holdings Ltd., et al.*

Dear Judge Glenn:

We are counsel to the defendants in the above-captioned action (the "*Thielmann* Action"). At the hearing in the *Thielmann* Action conducted on February 18, 2015, Your Honor directed the parties to meet and confer regarding discovery in connection with class certification and to submit a discovery plan by March 4, 2015. The Court also set a telephonic status conference for March 12, 2015.

The parties are continuing to meet and confer in a good faith effort to reach agreement, but have not yet reached agreement on a discovery plan. We are hopeful that further discussions will lead to a mutually agreeable discovery plan or, at least, narrow any disputed issues in advance of the conference on March 12. Accordingly, we write to respectfully request an extension until Monday, March 9, 2015 to submit a discovery plan in this Action. If the Court would prefer, however, the parties are prepared to submit their respective proposed discovery plans today, as currently scheduled.

Respectfully Submitted,

/s/ Brett H. Miller
